

New England Fleet: Feeder Cruise to Maine Guide Book

Fleet Captain's Note:

The New England Fleet has set a goal of expanding its Activities and Events. With the leadership of Alice Mutch and John Geissinger, a Feeder Cruise has been organized

to support Corinthians in the “Western Fleets” as they make their voyage to Maine for The Corinthians Association Annual Cruise 2025 Penobscot Bay and Acadia. Boothbay Harbor is an excellent spot for taking a breather after making the passage from Cape Ann. It is warm and friendly harbor with the opportunity to reprovision and prepare for the next passage on to the Penobscot.

Even if you do not have the time to do the full Annual Cruise, consider joining the Feeder Cruise to expand your sailing range, meet more Corinthians, and whet your appetite for a longer stay “sailing down east” in Maine.

BOOTHBAY HARBOR YACHT CLUB

GUEST INFORMATION

Summer 2025

Welcome Visiting Yachtsmen,

The Boothbay Harbor Yacht Club Flag Officers, members and staff welcome you to our Club and hope that your stay will be enjoyable. This brochure will explain the services available to you; excellent dining and a full service bar, restrooms and showers, laundry facilities, tennis courts, and visitor parking. We offer morning coffee, which may be enjoyed in the bar area or Casino. WIFI service is free and available in the mooring field as well. We offer daily launch service throughout the primary season, and reduced service after Labor Day. We always have guest moorings available for you!

The BHYC was founded in 1895 and began operations in Boothbay Harbor. The Club became an active racing and social center, with many yacht clubs visiting. In 1938, the Club voted to adopt a 21' class sailboat, The Boothbay Harbor One Design (BHOD), designed by Geerd Hendel. Many of the original wooden boats are sailing today, alongside newer fiberglass models manufactured by local builders. In the 1990's, the J/22 was added as a racing class. The Junior Program was established in 1954, with students sailing in Turnabouts. When the inner harbor became too crowded for Junior racing, the Club leased the former Oak Grove Casino in West Boothbay Harbor, the site of the present Club. The Junior Program today sails both Opti's and 420's.

A new clubhouse was built in 1968, enlarged in 1980, and completely renovated in 2001. It is the center of most activities for our 325 member families. Our campus extends across Western Avenue, where the adult and Junior tennis programs were introduced in 1975. In 1993, the Club bought the neighboring building which today houses the West Boothbay Post Office. In 2002, the Club acquired bordering property on West Harbor Pond that included a home that was remodeled to house Club staff. An adjacent property was acquired in 2011 where the Sailing and Education Center was built in 2018. It hosts the Junior Sailing Program and our Boothbay Region High School Sailing Team.

The Club maintains a prominent role in yacht racing, with a weekly series of races. In 1987, the Commodores Cup series of weekend races was initiated for cruising sailboats. Since 1974, the Club has sponsored a Gulf of Maine Ocean Racing Association (GMORA) Regatta, a two-day event, drawing boats from all over Maine. The classic boat race series has been sailed, since 2009, for traditional boats over 25 years of age. Over the years, the Club has hosted the Maine State Junior Olympics, the State of Maine Opti Championships, and the Sears Cup.

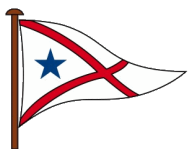

Members participate in a wide variety of events at the Club, but yachting, sailboat racing, and cruising the Maine coast are our passion. For more information about the Boothbay Harbor Yacht Club visit: www.bhyc.net.

The Boothbay Harbor Region webpage can be accessed at <http://www.boothbayharbor.com>.

Please feel welcome to use any of the Club's amenities. Contact the steward, hostess desk, or main office if you have any questions.

Enjoy your visit with us and the rest of your cruise. We hope to see you again soon. Fair Winds,

Charlie Cochran
Commodore
